

YOUR 2026

GRATITUDE REPORT

.....

HOW YOU BRING HELP AND HOPE TO A HURTING WORLD

FROM THE PRESIDENT

.....

As I reflect on this past year, I keep coming back to one simple, powerful truth—when you reach children first, you begin to change everything.

A few years ago, my mom, Terry Meeuwsen, and I began to discuss the future of Operation Blessing and Orphan's Promise. We both believed that God could work in new and amazing ways if we joined our efforts as a team. That became a reality this past year as we merged the two organizations in our care.

A unique child-first approach was birthed out of our shared vision. We realized that when children's needs are met, something deeper begins to happen. Families start to heal. Trust begins to grow. Doors to ministry open in ways only God can orchestrate. We're already seeing that happen around the world, and we're honored to call you a part of this incredible work.

Because of your compassion, children are not just receiving help today—they are being placed on a pathway toward hope. And that hope doesn't end with them. It ripples outward, touching families, restoring dignity, and strengthening entire communities over time.

That's why your partnership matters so much. You are helping break cycles of poverty and creating lasting change—in the lives of children, their families, and their entire communities. We believe that's something truly worth celebrating.

Every story in this gratitude report is a reflection of that impact—evidence of your love in action. God is working through you to bring help and hope to a hurting world. Thank you for walking this journey with us.

Drew Friedrich
President, Operation Blessing

OUR VISION

DISASTER
RESPONSE

CLEAN
WATER

orphan's
promise

HUNGER
RELIEF

MEDICAL
CARE

Together with you, Operation Blessing brings help and hope to a hurting world, empowering children and families in need through compassionate Christ-centered relief and development programs.

ORPHAN’S PROMISE

You give vulnerable children the opportunity to thrive through access to education, life-skills training, nutrition, and spiritual discipleship.

CLEAN WATER

You provide the thirsty with continued access to clean drinking water, sanitation, and hygiene solutions, as well as offer vital training in WASH (water, sanitation, and hygiene) practices.

DISASTER RESPONSE

You help deliver food, medical care, and critical assistance to vulnerable communities affected by natural and man-made disasters, offering both swift relief and long-term hope.

HUNGER RELIEF

You offer the hungry immediate food assistance, while also fighting the underlying causes of hunger such as poverty, economic instability, job loss, and lack of skills or training—providing long-term self-sufficiency and resilience.

MEDICAL CARE

You bless families who are desperate to find medical care, helping them overcome barriers like poverty and geography by strengthening local healthcare systems, promoting disease prevention, and providing life-changing surgeries.

JUST LOOK AT YOUR GLOBAL IMPACT!

Your compassion is taking help and hope around the world to those who need it most. Here are just a few words of thanks from those your love has touched this past year.

UNITED STATES: “When I sit down to eat the food, I feel the love of God. ... You all have been a total blessing to me.”

—Janet, food pantry recipient

POLAND: Little Alina (age 6) found a safe place to heal from the trauma of war. Her mother said, “We are endlessly grateful ... for the honesty, the care, and the love you share. My daughter looks forward to every session with joy!”

GUATEMALA: Thanks to you, 6-year-old Luding now has safe, clean water to drink and no longer risks getting sick. He told us, “The water is rich and tastes sweet.”

CHILE: Your love met Isidora with hot meals and hygiene kits after wildfires burned down her family home. Thanks to your care, she now has hope and said with confidence, “God has not forsaken us.”

BURUNDI: “We are truly grateful to you for bringing us food. ... Today, I have my own container for water—and truly, it feels wonderful!”

—Tumaini, a refugee from Congo

EGYPT: Your love is giving children like Jessica a safe place to dream of a brighter future. "I thank the Lord for the help I received. Now I am confident I can become a teacher to help others."

CHINA: Thanks to friends like you, Wenbang had a life-changing heart surgery. "We are looking forward to a bright future for my son. Thank you!"
—Wenbang's mother

KENYA: "Thanks to your assistance, Abdihafit has received his cleft lip surgery and is now healthy, feeding well, and growing strong."
—Abdihafit's mother

INDIA: "Thank you, Operation Blessing team, for giving us safe drinking water every day. You have truly changed our lives forever."
—Lohit, student in India

PHILIPPINES: "Thank you for coming here and for helping us. ... Your help and your prayers remind us that the Lord has never forsaken us and that He truly hears our prayers."
—Lucita, survivor of Typhoon Penha

EDUCATION & LIFE SKILLS | NUTRITION | DISCIPLESHIP

CHILDREN FIRST CHANGES EVERYTHING

When you touch the heart of a child, you make it possible for lasting healing and change to begin.

Our Orphan's Promise programs focus on breaking the cycle of poverty by putting children first—caring for the world's most vulnerable children in a Christ-centered way. Through these programs, your compassion is helping provide children with nutritious food, safe shelter, and educational support—meeting their urgent needs while helping them dream of a brighter future.

You are reaching out to hurting children in some of the most difficult situations and helping them grow through mentoring, life-skills training, and spiritual encouragement. By strengthening their families and helping build stronger communities, you are giving these precious children the chance to do more than survive. You're helping them thrive.

.....
Your generosity is creating
lasting change for
generations to come.

“For children who come from hard places, the issues they face give them such a distorted picture of their value and self-worth. Through the work of Orphan’s Promise and Operation Blessing, we share the healing love of God with them and the knowledge that their lives have purpose and promise. They are incredibly valued in His sight.”

—TERRY MEEUWSEN, FOUNDER OF ORPHAN'S PROMISE

FROM AN OUTCAST TO A DREAMER

YOU GAVE A YOUNG GIRL IN INDONESIA PURPOSE AND A PLACE TO BELONG

Can you imagine missing two years of school by the age of 12? This was life for young Rika in Indonesia. Her father struggled to find work, leaving Rika and the rest of the family hungry and vulnerable.

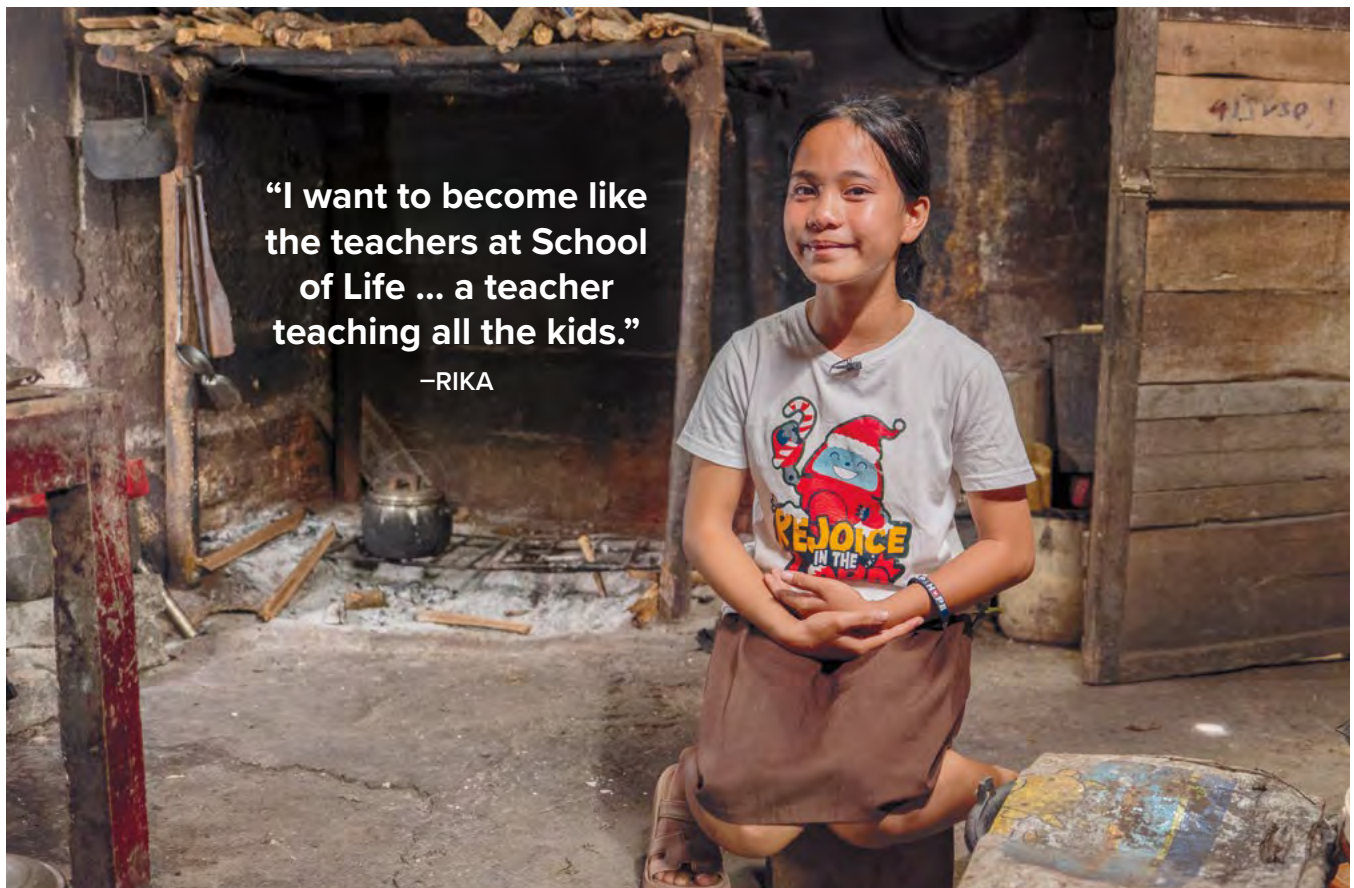

Rika dropped out of school and turned to the streets of her village in search of income. In society's eyes, Rika had become an outcast, but she desperately wanted to attend school and be with her peers.

Some days she stood outside and watched other children through a window at the local School of Life—an after-school program supported by Orphan's Promise—wishing

with all her heart that she could join them. Your compassion opened this door for Rika, and now her dream is becoming a reality. Today, she regularly attends School of Life in her village.

There, she receives two of the things she needs most—meals and discipleship in God's Word. Today, Rika has a new dream. "I want to become like the teachers at School of Life ... a teacher teaching all the kids," Rika told us.

Through support from you and our local partners on the ground, children around the world like Rika have hope for a bright future filled with love, support, and success.

UKRAINE: MEET ZLATA

When Zlata was 4 years old and living in Ukraine, her world was filled with laughter and joy.

Then the sound of bombs changed everything, as war tore her from all she knew.

Zlata fled to Germany with her mother and siblings. There they found safety, but the trauma she suffered left her withdrawn and silent.

Then she found a place to belong—at one of our Orphan's Promise Training Centers. She discovered her voice again along with a renewed sense of hope.

Today, at 7 years old, Zlata is smiling and thriving thanks to you!

WATER PROJECTS | SANITATION & HYGIENE | EDUCATION

ONE DROP, ONE VILLAGE AT A TIME

Every day, families in remote villages rise before the sun and trek for miles just to collect the water their loved ones need to survive. Even worse, the water they carry home is often contaminated—putting their families at risk for potentially deadly water-borne illnesses. That’s the reality for nearly one in four people around the world—about 2.1 billion hurting souls.*

But thanks to you, that story is beginning to change.

Your support is reaching vulnerable communities with one of life’s most precious gifts—clean water that is safe to drink. And along the way, you are helping improve sanitation, provide vital training in water, sanitation, and hygiene, and bring lasting relief to struggling families around the world.

But your impact reaches even deeper, as you help restore dignity and bring hope to places that once felt forgotten. You are reminding vulnerable families that they are seen, valued, and deeply loved.

Every drop of clean water creates ripples of change—and those ripples begin with you.

FROM DAILY RISK TO OVERFLOWING JOY

YOU CHANGED THE FUTURE OF A NIGERIAN COMMUNITY THROUGH CLEAN WATER

In Ogufa, Nigeria, residents like Patience depended on an open well that was contaminated by bacteria. Sadly, during each dry season, even that water source disappeared. When the well ran dry, Patience and her neighbors had no choice but to trek more than half a mile to a nearby stream.

But that water wasn't safe either. Animals drank from the same stream, putting Patience and others at risk.

"We and our children have suffered various sicknesses because of drinking contaminated water," Patience told us. But everything changed when compassionate friends like you came along.

Today, Patience and the dear families in Ogufa no longer have to risk illness just to quench their thirst. They now have three

new hand pump wells, providing access to clean, safe water—and restoring hope to the entire community.

The generosity of our partners also helped equip families with essential training in sanitation and hygiene, empowering them to protect their health and make the most of this life-giving resource for years to come.

Patience is overjoyed. She said, "This project came as an answer to our prayers!"

Through the gift of clean water, the people of Ogufa experienced how deeply God cares for them as they watched Him provide for their most essential needs.

Thank you for being such a powerful expression of God's love to the people of Ogufa. Your compassion is changing lives—today and for eternity.

PERU: MEET ANBIL

.....

In Kaquingora, Peru, a river ran through the center of the village where Anbil (7) and her brother lived, but they often fell sick from drinking the water. Then friends like you stepped in—helping provide clean water and safe bathrooms.

Your compassion also gave Anbil's mother, Nieves, a greenhouse to grow fresh vegetables, providing their family with more nutritious food and additional income.

"Now we will be healthy, happy, and joyful," said Nieves. "I am deeply thankful from the bottom of my heart. Thank you very much!"

PREPARATION | RESPONSE | RECOVERY

HOPE IN TIMES OF CRISIS

When disasters struck homes and communities this year, victims faced overwhelming fear, uncertainty, and loss. Yet through your faithful partnership, hope reached these people who needed it most. You made it possible for Operation Blessing to respond quickly in times of crisis, bringing critical relief and standing beside families with love and compassion in some of their darkest hours.

From urgent emergency relief to ongoing recovery assistance, your compassion helped provide stability, comfort, and care to hurting people—reminding survivors that they were not alone as they began to rebuild their lives.

In the face of devastation, your generosity became both a beacon of hope and a beautiful reflection of God's love, bringing comfort to hurting hearts and helping communities move forward with renewed strength. God bless you for your compassion and care!

YOUR LOVE BUILT HOPE LONG AFTER THE STORM STRUCK JAMAICA

High in the mountains of Hanover Parish, Jamaica, life has never been easy. In this remote community, known by many locals simply as “the bush,” families have learned to endure hardship together. Potable water was often difficult to find. Electricity, known locally as “the current,” was unreliable at best. Many families lived in small wooden homes built by hand and passed down through generations.

Then came Hurricane Melissa.

When violent winds tore through the mountainside, 70-year-old Arnold waited helplessly as his home began to shake around him. Rain poured in through holes in the roof, and the storm grew louder and more dangerous by the minute. Then he was jolted by a terrifying crash as a massive coconut tree fell onto his house.

In the aftermath, Arnold found himself buried beneath the rubble. He crawled to safety and found refuge with family members, but his home had been utterly destroyed. “I lost everything that I have,” he said with quiet resignation.

Across the region, families faced similar heartbreak. Single mother Tamara had weathered storms before, but nothing compared to Hurricane Melissa.

As trees crashed around her and fierce winds tore through the mountains, Tamara focused on protecting her family. “I can’t die,” she told herself. “I have to keep my family safe.”

When the storm finally passed, Tamara’s family home was decimated just like Arnold’s.

For many families across Jamaica, Hurricane Melissa did more than shatter buildings.

It shattered security, stability, and peace of mind, as well. But even in those darkest moments, your love and care gave the survivors hope.

Within hours of arriving in Jamaica, our Global Disaster Response Team began working alongside local churches, volunteers, and community leaders to reach devastated communities. You helped provide hot meals, clean water systems, hygiene kits, cleaning supplies, and many other lifesaving essentials for families struggling to survive.

And when the emergency relief ended, your compassion remained long after the storm.

Within months, volunteers and partners had built 43 homes in Jamaica, one by one. Today, both Arnold and Tamara live safely in their sturdy homes on the mountainside where destruction once ruled. Now each home is filled with renewed hope.

“It means a bright future,” Tamara shared. “A head start”—thanks to you!

.....

Together with compassionate partners like you, Operation Blessing provides support to brave first responders and brings critical relief to families and communities recovering from disaster.

KERRVILLE, TX: MEET COLENE

.....

When devastating floods swept through Kerrville, Texas, Colene feared she would lose everything. Rising waters surrounded her home, and she dreaded the worst, panicking during hours when her husband couldn't be reached. But you showed up with healing love and practical help. You sent relief and hope to families throughout her community, reassuring them that they would not have to face recovery alone.

FOOD ASSISTANCE | FAMILY AND COMMUNITY
FOOD PRODUCTION | INCOME GENERATION

FROM HUNGRY TO WHOLE

Sadly, for too many families, hunger is a daily struggle—both around the globe and here at home in America.

Parents wonder how they'll put enough food on the table, while children go to bed hungry and wake up without the nourishment they need to learn, grow, and thrive. But hope is on the horizon, thanks to you!

Beyond just handing out food for today, you are also giving people resources that can help them build a stronger future. In the U.S., our food

pantries and volunteers serve our neighbors with dignity, care, and creative local solutions. Around the world, you help provide livelihood opportunities, agricultural projects, and skills training to lift families out of hardship—creating the kind of long-term change that can last for generations.

Together, you and other caring partners are linking arms to make a huge difference for those struggling to feed their families. Thank you for making it possible for them to not only survive—but to thrive.

“Our team has had the privilege of seeing firsthand the incredible impact Operation Blessing delivers every day. The dedication and heart of their staff is truly inspiring, and it is a joy to support an organization that operates with such genuine compassion. We are grateful for this partnership and look forward to continuing to serve our communities together. God bless Operation Blessing and all those whose lives they touch.”

FROM STRUGGLE TO ABUNDANCE

YOU ARE CREATING NEW WAYS TO END HUNGER IN AMERICA

Hunger in America runs deeper than empty bellies. It's tangled up in broken systems, limited opportunity, a lack of education, and limited access to fresh, healthy food.

This year, we launched GATHER, a new hunger relief initiative in America built around the simple but radical idea that providing momentary relief from hunger isn't enough. Thanks to your support, that vision is becoming a reality.

GATHER—**G**rowing **A**ccess **T**hrough **H**olistic **E**ducation and **R**esources—was designed to address all of the issues that keep people from nutritious food. Through indoor hydroponic systems, fresh produce is grown year-round and is ready to provide nutrient-dense nourishment to struggling families.

“We’re growing fresh food right in the heart of the community in need,” said David Edson, our director of U.S. Hunger Relief. Your partnership also enables us to partner with local farms and small businesses to supply fresh eggs, meat, vegetables, and bread to those who need it most.

Together, we can walk alongside communities and connect families not just with food, but also with the nutrition, education, and opportunity needed to leave hunger behind for good. Let's make hunger a problem of the past.

VIRGINIA: MEET JANET

After years of working long hours as a cab driver, Janet retired and began to carefully live off the savings she had built as a single mother.

But unexpected expenses—including losing heat during the winter when her HVAC system broke—left her struggling to afford groceries. Government assistance only gave her \$24 a month for food. Then a friend told her about a local church food distribution supported by partners like you.

“They blessed me by filling my car with food!” Janet said. The food provided her with nourishment and much-needed relief—reminding her that she wasn’t alone. **“What may seem to be a little help for some is a world of help to others. It’s been a world of help to me.”**

DIRECT HEALTHCARE | COMMUNITY HEALTH | WOMEN & CHILDREN'S HEALTH

HELPING FAMILIES HEAL

For families living in remote or impoverished areas, a simple illness can quickly lead to tragedy. Even the most basic medical care is simply out of reach. But because of your compassion, we're bringing desperately needed services to vulnerable families and communities—before it's too late.

Through our Life-Changing Surgeries program, you make it possible for us to provide operations to repair cleft palates, clubfoot, heart defects, cataracts, and much more. This gives hurting people the chance to live healthier, hope-filled lives.

The prenatal care you offer lets pre-born babies receive essential medical support while

giving their mothers reassurance, guidance, and peace of mind. And our mobile medical clinics provide checkups, free medications, and health education close to home for those in need.

In addition, the Community Health Volunteers that you helped train also teach health education, fight malnutrition, offer first aid, and provide screenings. All because you care!

These solutions are bringing relief to people who have lived with pain, uncertainty, and fear for far too long.

Thank you for making lifesaving care possible and extending these vital treatments to families around the world. You are amazing!

FROM BARELY SURVIVING TO THRIVING

YOU SAVED A YOUNG GIRL'S LIFE IN EL SALVADOR THROUGH SURGERY

Little Maria was born prematurely, which caused multiple health risks from the start. And her family had limited options for healthcare in rural El Salvador. But those were the least of her family's worries, because Maria was born with a life-threatening congenital heart defect.

The doctor explained that the vein connecting Maria's heart to her lungs was too wide and transported too much blood, causing her lungs to fill with fluid. Her mother, Stefany, was devastated, and as a single parent didn't know where to turn.

Without an operation, Maria would not only face critical complications, including heart failure and permanent lung damage—she simply had no chance of surviving for long. But heart surgery cost far more than Stefany could afford.

For a moment, all hope seemed lost. Then, thankfully, friends like you made it possible for Maria to receive the lifesaving surgery needed to repair the enlarged blood vessels in her

heart. The operation was successful, and she quickly recovered!

Maria gained weight, and her breathing improved. The weakness and fatigue she constantly felt were now a thing of the past.

“Thank God my daughter is here with me,” Stefany said. “He heard my prayers, took care of my daughter, and I am very thankful to Him. ... I can already imagine her walking, talking, going to school!”

Through our life-changing surgery program, your compassion and care meet local medical partners on the ground to make an extraordinary difference in the lives of some of the world’s most vulnerable patients.

Thank you!

**“He heard my prayers,
took care of my
daughter, and I am
very thankful to Him.”**

—STEFANY, MARIA’S MOTHER

KENYA: MEET BLESSING

.....

The birth of a child should always be a blessing. Yet in the remote community of Korr, Kenya, expectant mothers like Anzaro didn’t have access to adequate care to ensure safe deliveries.

Your generosity made it possible for us to equip and support the Balaah Antenatal Clinic, so babies can be delivered safely, right in their community.

Anzaro’s precious baby was the first to be born there—and in gratitude she named her daughter Blessing.

VOLUNTEERS

JOINING HANDS WITH YOU TO BLESS PEOPLE IN CRISIS

This year, you empowered thousands of volunteers to turn their compassion into action—bringing help and hope to hurting people in need. Supported by your generosity, these dedicated men and women stepped into life's hardest moments, offering practical support and heartfelt care.

When disasters struck, like the deadly flooding in Texas or the hurricane that ravaged areas of Jamaica, your gifts empowered our volunteers to clear debris, provide hot meals, and pray with families who had lost everything. Combined with your faithfulness, their presence reminded survivors they were not alone.

Throughout the year, our volunteers consistently showed up to pack boxes of food and supplies for pantries across the country—ensuring that your love reaches our neighbors who are struggling to put food on the table. Each act of kindness played a huge role in breaking the cycle of poverty and restoring hope where it was needed most.

The compassion that you and our volunteers share is a true reflection of God's love for those who are hurting: *"For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me"* (Matthew 25:35).

A big thanks to you and to our volunteers for living out that calling, and for serving as the hands and feet of Jesus in a hurting world!

“It’s incredible to see people coming together. There are so many volunteers ... just to help each other out, and it’s a beautiful thing.”

OPERATION BLESSING GLOBALLY

“Operation Blessing is amazing, awesome. They’re like the best thing right now in Montego Bay, bringing hope and help to the people of Jamaica. There are so many people without food, and we just have to do what we have to do to get food to as many people across Jamaica.”

—KADINE, LOCAL SCHOOLTEACHER
AND VOLUNTEER IN JAMAICA

CHURCH PARTNERSHIPS

MAKING A DIFFERENCE THROUGH THE LOCAL CHURCH

It's amazing to see how God uses the body of Christ as His chosen vessel to change the world. Our local church partners are a vital part of our mission, as they help us reach those who are hurting with tangible relief and hope.

Across the United States, church partners like Freedom Church in Virginia provide essential food to families struggling just to make ends meet. Pastor Fred of Freedom Church said, "It's been an amazing relationship. In the last four years, we reached over 5,000 families. ... We're making a difference together."

And after a disaster strikes, our first call is to our local church partners. Together with your support, we help them determine how to best reach their hurting communities. When Hurricane Melissa devastated Jamaica, local churches on the island became disaster-relief hubs and distributed hot food, hygiene supplies, solar lights, clean water, and even medical care to families in need. Then several of our church partners in the United States joined hands with Jamaican churches, and traveled to the island to rebuild homes for families who had been living under tarps since the storm struck.

"I saw hope," said Sasha, a hurricane survivor. "We were looking around to see if anyone would be there to help us and you guys were right there. We are grateful." Thank you to these amazing churches and to you for making this incredible work possible.

“Partnering with Operation Blessing allowed Gateway Church to turn compassion into action. What began as a simple packing party became real, tangible hope for families in crisis. Seeing the kits our volunteers packed and prayed over helping those in need has deeply inspired our congregation and reminded us why we serve.”

PASTOR DUSTY PETREE
GATEWAY CHURCH | GRAND PRAIRIE, TX

“It’s amazing as a church to try to help the community in this way—really be there for others and just be there for the coming generation. We know that there is so much they are going through. We want to make sure that we can provide for them and their families. It’s a way for us to show that we care about them and that God loves them as well.”

FROM THE CHAIRMAN OF THE BOARD

Thank you for your faithful partnership with Operation Blessing. It is a privilege to serve the Lord together with you, and I want you to know how deeply we appreciate your heart of kindness. Your compassion and commitment to God's work is taking the Gospel to hurting families around the world and bringing us closer to fulfilling the Great Commission.

As we present this financial information, I want to assure you that we handle every gift entrusted to us with great care. One of our core values is steadfast stewardship, and we take that responsibility seriously. We strive to honor the Lord—and you—by managing resources with integrity, accountability, and transparency. Our goal is not only to use these funds wisely, but also to communicate clearly how your generosity is making a difference in the lives of hurting people around the world.

Jesus reminds us of God's overflowing provision in Luke 6:38. "Give, and it will be given to you. Good measure, pressed down, shaken together, running over, will be put into your lap. For with the measure you use it will be measured back to you." Your giving is a powerful expression of your enduring faith, and God continues to multiply the effects of your prayers and support in remarkable ways, as you have seen in this report.

Thank you again for standing with us. I pray the Lord blesses you abundantly—in your life, your family, and your calling.

Yours in Christ,

Gordon Robertson
Chairman of the Board, Operation Blessing

FINANCIAL STEWARDSHIP

Operation Blessing is a nonprofit, 501(c)(3) organization committed to embodying God's love by empowering vulnerable people through compassionate relief and development programs. We strive to provide the maximum amount of relief possible with every donor dollar. We are grateful for the ongoing support of our faithful partners like you who continue to make our worldwide relief efforts possible. You are the heartbeat behind all we do.
